HOTEL AND RESTAURANT FURNITURE

Furniture plays an important role in creating the perfect restaurant space and ambiance. Design and style are crucial and let's not forget the quality of product. At Rosetone, we've been working with restaurants for over 30 years, delivering on time and on budget.

Never underestimate how furniture can inspire and excite customers. Tired décor is a turn-off and can compromise an otherwise successful business. With our combinations of fabrics and finishes, you can reinvigorate and restyle your restaurants in an instant.
