

A close-up photograph of a wooden chair. The backrest is made of a light-colored wood frame with a cane or rattan mesh. The seat is upholstered in a grey, textured fabric. The wood shows some wear and a natural grain. The background is a plain, light-colored wall.

EVENT FURNITURE HIRE

OUR JOURNEY

For over 35 years, Rosetone has been a trusted name in event furniture hire. We carefully select the finest pieces and finish each item by hand in our Bedfordshire factory, ensuring exceptional quality that stands the test of time.

At Rosetone, we focus on enhancing your experience. Our team selects each piece with your event in mind, ensuring that every detail, from chairs to tables, contributes to the atmosphere and exceeds your expectations.

Founded in 1987 by Rosemary and Tony Goodley, Rosetone started with just 100 chairs and one van. In 2007, their daughter Michelle and her partner Andy joined the business, helping it grow further. In 2009, we relocated to larger premises in Shefford to accommodate our expanding operations.

In 2021, Michelle's son Warren took over the business, continuing the family tradition with support from his siblings. Today, Rosetone holds over 26,000 chairs, 1,200 tables, and a wide range of event furniture, with much of our business coming from returning customers and referrals.

Our commitment to treating each client as an individual is at the core of everything we do. The personal touch remains key to our success, and we will continue to build on this legacy.
